## WILSON PICKED TO WIN AT POLLS TO GET PLURALITY POPULAR VOTE

Mainland Forecasts Indicate Sweeping Victory  
By Democratic Presidential Candidate  
---Other Leaders Confident.

(By Federal Wireless Telegraph.)  
NEW YORK, November 4.—(Special to The Advertiser)—On the eve of election the result of tomorrow's voting is more in doubt than it has been in any campaign since Grover Cleveland defeated James G. Blaine in 1884. In some respects it is an analogous one, and betting odds, although lessening, are still running in favor of Governor Woodrow Wilson, of New Jersey, the Democratic candidate for the presidency.

**Bright for Democrats.**  
On the Democratic side, Charles F. Murphy, spokesman for Tammany Hall, the New York Democratic organization, declared that prospects were never brighter for Democratic success than they are tonight.

Col. William Jennings Bryan, in a statement issued in Lincoln, Nebraska, predicts a Democratic victory, although practically admitting the chances of the "silent vote" for Roosevelt.

"As far as I can see," said Colonel Bryan, "Wilson's election is not only almost certain but the probability is that the Governor of New Jersey will not only have a large majority in the electoral college, but a large plurality of the popular vote."

"Unless the silent vote is very largely against us, I do not see how Mr. Wilson can be defeated, and I know of no reason why he should not have a large share of the silent vote."

Forecasts from Democratic national headquarters, issued by Chairman William F. McCombs, are sweeping in their claims. At least forty States will go for Wilson, says Mr. McCombs, and the electoral college may be unanimous in his favor.

**Progressives Claim Everything.**  
A final statement to the press given out by Chairman Joseph M. Dixon, of the Progressive national committee, predicts that Roosevelt and Johnson will poll 6,000,000 out of the 15,000,000 votes in the Nation.

"Approximately 6,000,000 votes will be for Roosevelt and Johnson out of a total vote of 15,000,000," said Senator Dixon tonight. "The fatal error in all the Democratic estimates is the assumption that Wilson and Marshall will poll the Bryan vote of years ago."

"Roosevelt and Johnson will sweep the big industrial centers with a landslide."

**Many States in Doubt.**  
Chairman Charles D. Hiles, of the Re-

publican national committee, has also issued a statement claiming victory, though it is generally conceded that Taft will make a bad third. Party lines have been generally broken down, and, as a result, many formerly certain States are in doubt.

Kansas is still in doubt. Governor Wilson is only a slight leader in the betting in Wisconsin. Michigan is in doubt.

A three-cornered struggle is expected in Massachusetts, where three parties claim the victory.

Governor Wilson is strong in Ohio, but the Progressive party hopes to swing the election to their side, after a hot campaign.

In West Virginia, where a bitter fight over a prohibition amendment to the constitution will bring out a large vote, Roosevelt has a good chance to beat Wilson.

Roosevelt managers are confident that they will carry Pennsylvania, despite the fact that they were forced to adopt the name "Washington Party" by the preempting of their real party title.

In Iowa it is predicted that less than five per cent of the voters will cast a straight party ballot, a circumstance which is regarded as hopeful by Progressives.

The President's managers also claim this State.

### Roosevelt Is Peeved.

(By Federal Wireless Telegraph.)  
OYSTER BAY, November 4.—(Special to The Advertiser)—In a statement issued today, Theodore Roosevelt charged Republican leaders with advising their followers to vote for Woodrow Wilson if they did not feel that they could support President Taft.

"The great concern of the 'bosses,'" the Colonel said, "was to defeat the Progressive party."

### This Settles It.

PROVIDENCE, Rhode Island, November 4.—(By Associated Press Cable)—Gov. Hiram Johnson, Bull Moose candidate for Vice President, today issued a statement predicting that Taft will not get a single electoral vote.

### Can't Go Republican.

SAN FRANCISCO, November 4.—(By Associated Press Cable)—The Bull Moose party claims California by 30,000, while the Democrats claim they will win by 20,000.

in the interest of the great Inter-Parliamentary meeting which will be held in the United States and Canada in 1915.

Doctor McDowell believes that the League of Peace operating with its American officers would be in such an impartial position that they could represent all the parties concerned. He has interviewed a number of prominent men of each house of the British parliament, and has strong hopes that something may come of his suggestions, which have been conveyed to Sir Edward Grey, secretary of state for foreign affairs, in a formal manner.

## IS HE GOING TO TURN THE OTHER CHEEK?

NOT IF HE IS A MAN.

## HOW THE LEADERS SIZE UP SITUATION

The following are the forecasts issued yesterday from the rival headquarters in regard to the Delegateship. The vote of two years ago is also given, for purposes of comparison:

## "CLEAN SWEEP ON OAHU"---MC CARTHY

"Things look better with every report that comes in," said C. J. McCarthy, campaign manager of the Democratic party, when asked last night to make a statement of the probable outcome of today's voting. There was undoubtedly an air of assurance about the Democratic headquarters last night; not the loud boasts of forced enthusiasm, but the satisfaction of substantial victory in sight.

The Democrats claim that there will be practically a clean sweep for them on this Island, with excellent Democratic prospects on the other Islands. "Until today we were willing to concede the Republicans one of the senators," said Mr. McCarthy. "Now, having our predictions on late returns, we withdraw that. We are going to elect all three of our senators. Our house ticket in the fifth is certain, and we will have at least a majority of the board of supervisors."

"McCartney will beat Kuhio by eleven to twelve hundred votes. Maui is the only Island where Kuhio will have anything like a good majority. Oahu will poll a thousand more votes for McCandless than for the Prince, and the Oahu majority will be about the majority with which McCandless will go to Washington."

"My estimate on the vote for the majority concedes Colonel Parker a majority in the fourth, but he will be away behind in the fifth. Fern's total will be about three hundred ahead of Parker. Huestace will poll somewhere around eight hundred votes. My figures are:

	Fourth.	Fifth.	Total.
Fern .....	1700	2000	3700
Parker .....	1800	1500	3300
Huestace .....			800

## MINISTERS REFUSE TO MARRY MILLIONAIRE

(By Federal Wireless Telegraph.)  
NEWPORT, Rhode Island, November 4.—(Special to The Advertiser)—The clergymen of Newport are unanimous in refusing to officiate at the wedding of the one-time multimillionaire E. R. Thomas and Miss Elizabeth R. Finley, the New York artist. It has been the rule among the clergymen here not to marry divorced persons.

As the decree of divorce which Thomas obtained makes it impossible for him to marry in New York, a minister will be brought from Providence to perform the ceremony.

## REPUBLICANS SEE ONLY BEST RESULT

Predictions of a Republican victory in the city and county all along the line were made yesterday by Republican workers. One said that the Democrats themselves claim only one senator, two supervisors and two or three representatives, and that they are very much worried over the probable loss of the sheriffship.

From Republican headquarters the following forecast on the majority election was given out to the press:

	Fourth	Fifth	Total
Parker .....	1882	1757	3639
Fern .....	1618	1916	3534
Huestace .....	485	241	726
Spilled Ballots .....			82

Total .....

Chairman B. von Damm, Republican county committee, said yesterday: "From reports we have received from every precinct on this island, I feel confident that we will elect the Republican ticket from the top to the bottom. Kuhio will be an easy winner over McCandless, and the other Republican candidates will be successful. Our senatorial ticket will be given a strong vote."

"The talk stirred up by Democrats and a few disgruntled Republicans that some of the hale precincts will knife the Hawaiian candidates and vice versa has proved to be groundless and has been a boomerang upon the Democrats. The fourth district is going to give hearty support to the fifth district candidates and the fifth will show its splendid straight ticket strength as it has always done. Col. Sam Parker has gained greatly in strength during the past two weeks and Fern's methods have lost him support in both districts. The Democrats are going to be sadly disappointed in the defeat of their supervisory ticket and we will go right down the line with all our candidates."

## REVOLUTIONARY CHIEF TO SUPPRESS RIOTS

(By Federal Wireless Telegraph.)  
AMOI, China, November 4.—(Special to The Advertiser)—General Puang Sing, one time commander-in-chief of the revolutionary forces during the recent rebellion, has been appointed military chief of Southern Fukien, and ordered to go to Amoy to suppress local disorders.

## DEMOCRATS ARE CONFIDENT OF SUCCESS

Great Gathering in Aala Park  
Cheers McCandless to the Echo.

## REPUBLICANS ALSO SCORE

Colonel Parker Wins Applause  
at Rally in the Capitol Grounds.

Everything has been said! Both parties held their final grand rallies last evening, the Republicans at the Capitol grounds, and the Democrats at Aala Park. Both rallies were well attended, but that of the Democrats was much the larger gathering and there, also, was shown the greater enthusiasm, especially when L. L. McCandless, candidate for Delegate to Congress, spoke straightout to the immense crowd which packed the park from end to end. He was cheered again and again.

At the Republican rally Col. Sam Parker, as usual, made the hit of the evening, while R. W. Shingle, chairman of the Territorial central committee, presided with a tact and energy which did much to make the meeting a successful one. But it was Colonel Parker who was given the cheers. Among the other brief speeches were those made by each of the candidates, A. Q. Marcellino, candidate for reelection to the house, making an excellent talk. He was one of the progressive representatives in the last legislature. Kuhio again attacked the Governor and his administration.

And today it is the ballots, not words, that count.

### Great Democratic Rally.

From the bandstand in Aala Park last night, the Democratic candidates and speakers addressed the greatest assembly of voters in the history of Honolulu. Eight thousand persons, at a conservative estimate, packed the great square from Beretania to King street and surged along the banks of the Nuuanu stream.

Never in their wildest dreams had the Democrats expected such a gathering, but they were not slow to take advantage of their opportunity. They spoke and the people listened. There were interruptions, great rolling cheers, which came when flickering torches danced through the audience to the speakers' stand, each torch representing a recruit from the Republican torchlight parade.

Half a score of torches left the ranks of the Republican parade as it passed Aala Park on the way to Palace Square. Afterwards they continued to stream in. When "Link" McCandless spoke, twenty torch bearers rushed up to the stand and presented him with the trophies of the enemy. Over fifty torches were received at the stand during the evening, amid cheers for the Democrats and groans for the opposition.

And the crowd stood fast until the last lei crowned speaker had left the stand. The fireworks and moving pictures advertised for the Republican meeting failed to move them. When a runner from the Republican meeting arrived with a bottle of prime beer, one of many which he said were being distributed to the voters by the Republicans, and "Link" McCandless brandished it before the thousands and exclaimed:

### Buying With Booze.

"They expect to buy your votes with this," the audience howled their derision of the Republicans and cheered for McCandless and the Democratic ticket.

Even the rain which fell at times failed to diminish the crowd. Hundreds of umbrellas blossomed, showing that their owners had come prepared to stay the meeting through, and when the rain ceased, the umbrellas disappeared leaving a view of a sea of upturned eager faces.

One of the remarkable features of the assembly was the fact that at least eighty-five per cent were voters. There were a number of women present, but the children were conspicuous by their absence.

Every Democrat in Honolulu was present who was able to walk, and great was the cheering when Ed. Watson, long a leader of the party in the Islands, was carried to the stand from the sick bed which he has occupied for weeks.

There were Republicans in the stand, too, Republicans who could not swallow Kuhio and his past record, and who refusing to bow to him as others who denounced him but recently, have done, have been styled "deserters."

## TWENTY THOUSAND ARE DEAD, BUT FORTRESS IS CAPTURED

Last Defense of Constantinople Taken by Bulgarians---Massacre Feared in Capital  
---Peace Proposed.

CONSTANTINOPLE, November 5.—(By Associated Press Cable)—Hostility toward all Europeans is rapidly increasing in this city and there is fear that deeds of violence will follow unless a strong force of foreign troops is quickly sent here by the Powers.

Members of the Workmen's Guild are reported to have taken an oath to massacre all Christians within the city in case the Bulgarians enter. What safeguards are possible are being taken by the foreign population.

(By Federal Wireless Telegraph.)  
TCHALLA, Turkey, November 4.—(Special to The Advertiser)—Tchalla, the last fortress guarding Constantinople, was captured this morning by the Bulgarian army. The Turks defended the fort desperately and 20,000 dead and wounded now cover the field.

(By Federal Wireless Telegraph.)  
LONDON, November 4.—(Special to The Advertiser)—The Turkish ambassador here was directed today by the Ottoman government to inform Great Britain of Turkey's willingness to receive assistance in bringing about a suspension of hostilities with a view of arriving at a peace settlement.

Tewfik Pasha immediately on receipt of the communication from Constantinople went to the foreign office and conferred for two hours with Sir Edward Grey, the British foreign minister.

The Balkan nations and Greece are persistent in their determination that Turkey must arrange directly with them the terms of peace, without the intervention of the European Powers.

This attitude is emphasized in a statement from official sources, which says:

**Balkan States to Dictate Peace.**  
"The Turkish proposal of peace is satisfactory, insofar as it shows a desire to prevent further bloodshed. As regards foreign intervention, however, there seems no chance of the

Balkan Mountain States listening to any foreign counsel while treating for the arrangements of the conditions of peace. This must be settled between the Balkan States and Turkey direct."

It may, at this stage, be declared that the whole campaign was prearranged and has so far been carried out entirely in accordance with the program.

For a considerable length of time, an officer of the Greek military staff, Colonel Doumanis, was engaged in Sofia preparing the military details, while the political program was largely, if not entirely, the work of Premier Venizelos of Greece.

### Are Welded by Blood.

The union of the Balkan States at this moment is more close, hearty and intimate than it has ever been, for it has been welded by blood and common sacrifice. There is not the least danger that any disagreement as to the division of territory or the positions of the frontiers will disturb it.

It may be assumed that, inasmuch as the details of the campaign were arranged with the greatest care, the same procedure will be followed both at the conclusion of hostilities and subsequent political considerations.

### League of Peace for Peace.

(By Federal Wireless Telegraph.)  
LONDON, November 4.—(Special to The Advertiser)—The American League of Peace has offered its services for mediation in the Balkan States to the British foreign office, through Dr. William Osborne McDowell.

Doctor McDowell is now in England

## EMBEZZLEMENT MAY REACH LARGE SUM

Agent for Harvester Trust Has Been Arrested Upon a Serious Charge.

(By Federal Wireless Telegraph.)  
SAN FRANCISCO, November 4.—(Special to The Advertiser)—Judge Weller issued a warrant for the arrest of Wallace J. Poland, Pacific Coast representative of the International Harvester Company, on a charge of embezzlement, and he was taken into custody this afternoon.

The specific sum named in the warrant is \$15,000, although the court has been informed by Aubrey E. Ambrose, traveling auditor for the Harvester Company, that Poland's shortage will reach \$50,000.

It is charged that some of the company's funds were spent in establishing a theater in Modesto, and the St. Regis saloon in San Francisco.
